

Shelia Anderson, R.N., M.S.N
Aesthetic Injection & Training Specialist

Shelia Anderson received her Bachelor of Science in Nursing from Western Carolina University and Master of Science in Nursing from the University of North Carolina at Greensboro. Shelia has worked in nursing for over 25 years as an active clinician and educator.

In 1995 Shelia began her work in the field of medical aesthetics. She is widely known for her expertise in the field and for advanced techniques she developed in the non-surgical treatment of clients with Botox Cosmetic and dermal fillers. Recognizing the need for individualized training in this rapidly growing field, Shelia also conducts beginning and advanced classes throughout the country for physicians and surgeons, physicians' assistants, and nurses interested in offering the best medical aesthetic services to their patients.

Shelia's passion and artistry are reflected in her aesthetic injections. Her gift as an educator is reflected in the time she spends with each individual patient, assuring optimal results for each one.
